Enclosed is a scholarship application that you may duplicate as necessary. **Please limit the number of applications submitted to no more than three, numbering them in order of preference in the right corner of application. Each should be accompanied by an official transcript, standardized test scores and Counselor recommendation.** It would be most helpful if you could include exact rank in class (ex. 7<sup>th</sup> in class of 350) rather than the quarter, second, etc. in which the applicant falls. Course titles, especially for academic courses, should be expressed clearly, although with computer generated transcripts we realize this may present some difficulty. If this is not possible, a key to course titles would be most helpful.
