Dear Mr. Matatia,

One of the many advantages of membership in the New York Schools Insurance Reciprocal is the eligibility of your district or BOCES to participate in the NYSIR Scholarship Program for graduating seniors.

Specifically developed to reward the efforts of special education students, seniors interested in design and students who have demonstrated serious involvement in humanitarian activities, our annual scholarships are both unique and well-funded, and over the years have made a substantial difference in the lives of recipients and their families.

NYSIR is proud to be able to give back to the children and the communities where our members live and work, and with this special brochure we encourage you to learn more about the exceptional young men and women who are this year's awardees.

Robert W. Lulley, Jr.  
NYSIR Executive Director
