On April 25, 2019, the Tuxedo UFSD Board of Education accepted the resignation of Jason Schrammel effective June 30, 2019. We wish Mr. Schrammel success as he moves on to his new position. We thank Mr. Schrammel for being an advocate for our students and for his dedication to this district for the last 13 years.

We have been actively working on a replacement and will keep the community informed over the course of the coming weeks.
